

SPECIFICATION

Power Supply

10 Amp /
220v-240vz

Materials

Stainless
Steel 304,
Aluminium, Teak

Dry Weight

125kg

Water Capacity

400 litres

UV sanitizer

Draining

Hose Pipe
connection

Antifreeze function

Prevents the formation
of ice or frost

Cover Included

Insulated for reduced
running costs

Temperature

Settings as low
as 3° degrees

Certified

AS/NZ Standards
Compliant

Dimensions

1 730mm

2 750mm

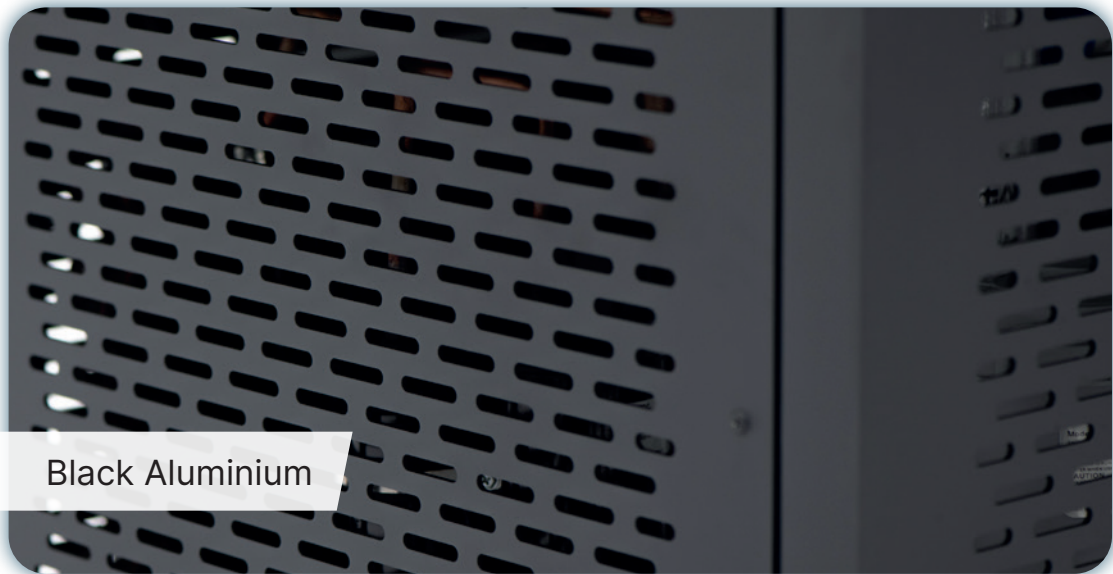

3 1800mm

4 1200mm

PREMIUM MATERIALS

Teak Top

Black Aluminium

Stainless Steel
